## Step 1 Prepare

### All Testing

- All testing is by appointment only. Testers should call sites prior to travel.
- Due to COVID-19, test sites may have implemented testing procedures recommended by public health agencies (social distancing, use of masks, etc.)
- Days of the week and hours of operation vary at each test location. Summer and school breaks may have limited hours.
- Bring your photo I.D. Under the Iowa Administrative Rules you may be denied the right to test for one year for cheating or for testing and representing yourself as another person.
- Each pesticide test category may be taken only once per day regardless of location. All test categories are available at all sites.
- Testing fees are charged by the testing location and are unrelated to pesticide applicator certification fees.
- Study manuals may be purchased at the **ISU Extension Store**: <https://store.extension.iastate.edu/Topic/Crops/Pesticide-Safety-Education-Program>

### Computer – Based Testing

- Please have a login name and password before arriving at test site by going to the following link: <http://www.quia.com/newstudent.html>

## Step 2 Certification

- Apply for certification on the **Self-Service Portal for License and Registration**: <https://iowaagriculture.force.com/pesticideapplicator/s/login/>
- A pesticide applicator certification is not active until all paperwork and fees are in possession of IDALS.
- If you do not have Internet access, mail your application and payment to: IDALS Pesticide Bureau, Wallace State Office Building, 502 East Ninth Street, Des Moines, IA 50319-0051
